COVID-19 (Coronavirus)

TO THE CITIZENS OF HEMPHILL COUNTY:

All of the county offices, facilities and services are currently open for business as usual. Officials and Staff are taking common sense steps to minimize the risk of contracting and or spreading the COVID-19 virus in our facilities.

If you are anxious or have concerns about coming to the Courthouse or other county offices during these challenging times, we want to remind you that much of your business can be handled by phone, email and regular mail. Please feel free to contact any of your county offices and we will do our best to help you take care of your county business.

Should this coronavirus-related health issue intensify in the days and weeks ahead, be assured that we have contingency plans in place to ensure that critical services will be available to our community.

May God bless us all.
