A tax rate of \$0.556704 per \$100 valuation has been proposed by the governing body of Hill County. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for Hill County from the same properties in both the 2014 tax year and the 2015 tax year.
