

GENERAL CONFLICT OF INTEREST DISCLOSURE FORM

Hill County employees must make a full disclosure of all potential or actual conflicts of interest. Conflicts of interest occur when the personal interests, financial or otherwise, of a person who owes a duty to Hill County actually or potentially diverge with the person's professional obligations to, and with the best interest of, the County.

Employees who are aware of a potential or actual conflict of interest must complete this form and deliver it to the Hill County Clerk so that it may be referred to the Hill County Auditor for evaluation.

Please briefly describe the personal, business, financial interest, outside employment or consulting activities that are raising a potential conflict of interest. Include names, addresses, nature of interest, the employee's role at Hill County and how it relates to the outside interest and any other relevant information. Feel free to use additional sheets if necessary or attach additional documentation.
